Student Roles Descriptions

We all have an important part to play.
When everyone does their role well, we all learn and succeed together!

ROLE	WHAT I DO	WHAT I DON'T DO	WHY IT MATTERS
Leaders  Help the group stay focused, listen to everyone, and keep us working together.	✓ Make sure the group listens when the teacher explains. ✓ Encourage everyone to share their ideas. ✓ Help solve problems and keep the group on task. ✓ Make sure everyone is included and respected. ✓ Ask the teacher for help if needed.	✗ Boss people around or tell others what to do without listening. ✗ Ignore ideas or let only one person speak. ✗ Do all the work myself. ✗ Make decisions without checking with the group. ✗ Blame others when things go wrong.	★ Good leaders help the group work as a team, solve problems, and make sure everyone feels heard and supported.
Document Managers  Collect, organize, and manage our work using the devices and LMS.	✓ Collect and save everyone's sketches and notes. ✓ Upload and update our work on the LMS. ✓ Organize files so they are easy to find. ✓ Make sure documents are ready before the deadline. ✓ Share the final work with the teacher.	✗ Use the device just for myself or for non-task activities. ✗ Change or delete other people's work. ✗ Wait until the last minute to upload. ✗ Keep files messy or unorganized. ✗ Forget to check that everything is saved.	★ Keeping our work organized and updated helps the whole group stay on track and proud of what we achieve together.
Task Managers  Plan our time, check our progress, and make sure tasks are done.	✓ Make sure tasks are understood by everyone. ✓ Create a plan and set realistic time goals. ✓ Check in with the group and adjust if needed. ✓ Remind the group of deadlines. ✓ Celebrate when tasks are completed!	✗ Do the work for others. ✗ Let the group get off task or waste time. ✗ Ignore the time or forget deadlines. ✗ Rely on one person to do everything. ✗ Forget to check if everyone understands the plan.	★ Good planning and checks help us finish on time and reduce stress for everyone.
Activity Managers  Guide the group through the activity and help us create great work.	✓ Make sure everyone contributes ideas and effort. ✓ Help the group understand the activity. ✓ Encourage creative thinking and different ideas. ✓ Support the group in designing and improving our work. ✓ Make sure we reach a common understanding.	✗ Let one person do all the work. ✗ Reject ideas without good reason. ✗ Rush the creative process. ✗ Do the activity alone without input. ✗ Forget to check that we meet the goal.	★ Our ideas and teamwork make the activity better and help us all learn from each other.
Quality Managers  Review our work, give helpful feedback, and make it the best it can be.	✓ Review the work and sketches before uploading. ✓ Check for accuracy, clarity, and creativity. ✓ Give kind and helpful feedback. ✓ Suggest ways to improve. ✓ Make sure our final work meets the requirements.	✗ Give unkind or unhelpful feedback. ✗ Ignore mistakes or missing details. ✗ Wait until the end to review. ✗ Change everyone's ideas without discussion. ✗ Forget to double-check before submission.	★ Quality work shows pride and helps us learn more and do better next time.
Troubleshoot Managers  Help the group when we get stuck or face problems with tasks or tools.	✓ Notice when the group is stuck or needs help. ✓ Suggest solutions or ask for help from the teacher. ✓ Help keep the group calm and focused. ✓ Troubleshoot device or tech issues with care. ✓ Check in with everyone to make sure all is okay.	✗ Take over or do the work for others. ✗ Panic or give up easily. ✗ Ignore people who need help. ✗ Use problems as an excuse to get off task. ✗ Forget to ask for help when needed.	★ Solving problems together helps us stay on track, build confidence, and support each other.

ALWAYS REMEMBER:

- ✓ Every role is important.
- ✓ We rely on each other.
- ✓ Respect, listen, and communicate.
- ✓ Do your best, support others, and be proud of teamwork!
